

Bridging Culture and Business.

Midnight Sun Global Services, LLC (Midnight Sun), a wholly-owned subsidiary of Kikiktagruk Inupiat Corporation (KIC), is a Small Business Administration (SBA) registered 8(a) Alaskan Native Village Corporation (ANC) providing integrated building solutions with 40 years of proven experience.

Founded in 1973, KIC operates a diverse portfolio of companies across North America, offering quality services and products to clients in both the public and private sectors. Based in Kotzebue, Alaska, with offices around the country, KIC and its subsidiaries proudly serve a shareholder base of Inupiat natives and numerous federal and private sector clients.

KIC operates our companies with the same values that have sustained and guided our shareholders for the last 10,000 years: adaptability, honesty, hard work, cooperation, integrity and a commitment to quality. KIC’s mission is to provide innovation and value to both clients and shareholders. Through investing in client relationships KIC’s family of companies in turn invests in the sustainable future of shareholders—ensuring the longevity of cultural values and practices.

Seasoned leadership, extensive industry experience, and strong relationships allow Midnight Sun, with the support and commitment of KIC, to consistently deliver strategy, management, implementation and leading edge technology—affording excellence at every level of operations.

Our Services

Client collaboration, team leadership and professional expertise are the foundation of our approach to meeting the diverse challenges of the built environment:

Construction & Design/Build

Midnight Sun offers general construction, trade contracting, and design/build services on sustainment, restoration and modernization projects as well as new construction. We also provide preventative maintenance and emergency response services. **We offer competitive bidding and as an ANC 8(a) we have the ability to negotiate direct award/sole source contracts up to \$22MM without J&A.**

- | | |
|-----------------------------|-----------|
| Carpentry | Site Work |
| Electrical and LED Lighting | Concrete |
| Mechanical and HVAC | Drywall |
| Insulation and Sealing | Painting |
| Acoustical Ceilings | Flooring |
| Ventilation Cleaning | Roofing |
| Remediation Services | Plumbing |

IDIQ / Task Order Contracts

Midnight Sun has the understanding, internal procedures, personnel, and systems in place, tested, and proven successful in managing individual task orders under a multiple award contract system. Whether individual task orders are under small purchase threshold or major capital expenditures, each are treated with urgency, dispatched to the proper development personnel, and initiated in Midnight Sun tracking systems to identify and monitor work from beginning to close, or acceptance by the client. Midnight Sun thrives in these types of simultaneous task order environments where work scopes and conditions may be diverse, difficult, not well defined, and require rapid development.

Environmental Services

Under the Midnight Sun - TRINITY JV, we possess extensive experience in environmental remediation, environmental consulting services and construction management for both government and private sector. The combined experience includes: US Army Corps of Engineers, US Navy, US Air Force, US Coast Guard, Defense Logistics Agency, Internal Revenue Service, Shell Oil, and Florida Municipalities.

Services include:

- Environmental Compliance
- Environmental Investigation/Remediation
- Water Resources
- Geophysics (Downhole)
- Environmental Planning/Due Diligence
- Construction Management
