Delivering value. Meeting expectations.

KIC Facilities Management offers its customers a wealth of government-contracting experience and the assurance of optimum performance based on strong leadership and our reputation for outstanding service.

Our goal every day is to transparently support your mission and to maximize the value of your facility by providing the safest, most reliable, most user-friendly site possible at the most efficient cost. We incorporate emergency and natural disaster planning into all management, and we ensure that all OSHA and other appropriate safety guidelines are strictly followed, both in building features and human activities on-site.

As a subsidiary of Kikiktagruk Inupiat Corporation, an Alaska Native Corporation, KIC Facilities Management is a small business eligible to participate in important federal preference programs.

WORKING WITH KIC

KIC is owned by our Shareholders, who know how to survive and prosper in a remote part of Alaska above the Arctic Circle. We operate our companies with the same values that have sustained and guided our Shareholders: adaptability, honesty, hard work, cooperation, integrity and a commitment to quality. KIC brings more than 40 years of experience in delivering exceptional service to our government customers. Our SBA ANC 8(a) and HUBZone status offers important best-value advantages and technical expertise to our clients and partners.

CLIENTS

KIC Facilities Management delivers quality services to its many government customers, including the U.S. Army, the USDA and many others.
