General Capabilities Statement

Our History, Our Culture, Our Business

Midnight Sun AUS, LLC (MSAUS) is a Small Business Administration (SBA) certified 8(a) firm and a wholly-owned subsidiary of Kikiktagruk Inupiat Corporation (KIC). KIC is an Alaskan Native Village Corporation (ANC) with more than 40 years of proven experience providing professional services, construction, remediation, and other integrated building solutions to the Federal Government. As such, MSAUS offers a sole source capability of up to \$100 million without justification for DoD agencies; up to \$22 million for civilian agencies. MSAUS is uniquely positioned to draw from the full support of KIC, leveraging the financial support, accounting, and management systems from more than 40 years of corporate, umbrella experience. As part of the KIC family of companies, MSAUS has the understanding, internal procedures, personnel, and tested systems in place to successfully manage complex projects with tight deadlines. MSAUS offers a culture of adaptability, honesty, hard work, cooperation, integrity, and a commitment to quality.

Our Services Summary

Design Build Roofing & Interior Construction

MSAUS personnel have more than 14 years of roofing and construction contract experience with NIH, FDA, DoD, GSA, FDA, and HUD. Services include all facets of facade restoration, waterproofing, roof asset management, roof restoration, roof replacement, and interior demolition and construction. MSAUS has the capability to self perform with attention to safety.

Facilities & Remediation

MSAUS personnel have the training, experience, and past performance completing facilities and remediation contracts in the most stringent and secure laboratory, hospital, and biomedical facilities for the Federal Government. Our personnel and subcontractors carry the proper certifications including JCAHO. MSAUS responds to remediation requirements 24/7.

Transportation Services

MSAUS staffs parking lot attendants, managers, dispatchers, drivers, limousine, and customer care personnel servicing the parking, transportation, and logistics management requirements for the FDA. Our teams can support transportation contracts throughout the Washington D.C., MD, and VA regions.

Process, Physical Distribution, and Logistics Services

MSAUS personnel have the capability, history, and past performance to provide a multitude of services supporting physical distribution, warehousing, and logistics contract requirements. Our experienced teams and subcontractors perform warehousing set up and renovation throughout the United States.
